

I have ten!!
How many do you have?

The 2nd International Multi-Disciplinary Symposium on Fetal and Congenital Malformations - Counseling and Management

July 6-7th, 2006 Jerusalem

Dear Sponsors!

We are happy to release the first call for the upcoming meeting July 2006 ,on
the

[Multi-Disciplinary Symposium on Fetal and Congenital Malformations](#)

Last year's meeting was a success to all of us who believe in creating the
Multi-Disciplinary Platform to promote the very important issue of Fetal and
Congenital malformations.

Participants from the following fields of medicine will be involved:

Gynecologists & Obstetrician	Pediatric Radiologists
Geneticists	Neuro-Radiologists
Pathologists	Neonatologists
Pediatric Neurologists	Pediatricians and Subspecialties
Pediatric Neurosurgeons	Sub-specialties of Pediatric Surgery

The symposium will include CNS and Non-CNS malformations.

Venue: Magid Hall (near the medical schools of Hadassah
Ein-Karem, in the Campus), Jerusalem, Israel.

Official Language: English

Guest Speakers: from Israel, USA, Canada, France, and Belgium

Organizing committee:

Dr Liana Beni-Adani	Pediatric Neurosurgery
Dr Michel Nadjari	Gyn & Obs
Dr Dvora Kidron	Pediatric Pathology
Dr Beni Koplewitz	Pediatric Radiology

- All sponsors will be allowed to publish on our site: www.fetal.org.il and will be included in the "Abstract Book". The sponsorship is acknowledged as we are an official non-profit association.
- For further questions or information please contact Dr Liana Beni-Adani or Dr Michel Nadjari in the following addresses:
